

The Missing Link: Connect to Create

# PRACTICES OF FLOURISHING TEAMS AND GROUPS

Flourish while you succeed  
Succeed because you flourish

## A VOCABULARY OF RESILIENCE

Shared vocabulary connects and encourages teams

Through workshops, training and your leadership, your team will develop a way of speaking to one another which encourages resilient, growth oriented, empathetic mindsets

## EMOTIONALLY DEVELOPED TEAM

Team's Effectiveness elevates when members grow emotionally

Watch your team grow closer and thrive as each individual learns the power and impact of emotional intelligence. People will notice, name and navigate emotions as they arise, with mastery.

## A TEAM WITH A COACHING MINDSET

Ask & Answer Powerful Questions

Through the coaching and facilitating experience leaders and team members support, connect and influence through the amazing power of the right questions

## YOUR ENVISIONED CULTURE

Engage your team with an intentional culture

Culture

Through coaching, surveys, and research, envision and infuse a culture which supports the employees wellbeing, work engagement, and effectiveness

## CONNECTED COMMUNICATION

Listen, reflect, and carefully considering others opinions with skill

The art and skill of listening, the permission to pay attention, the encouragement of hearing all voices creates an open minded and creative environment for your team
